

Our treatment prices vary depending on several factors, such as the type of treatment, the size of the area being treated, the combination of products or techniques used, and how often the treatments are performed. The price list on our website offers a general overview to help you get an idea of the options available. The exact cost will be discussed together during your consultation, where we'll take the time to understand your goals and create a personalized treatment plan that suits you best.

BOTULINUM TOXIN

Every face is different, which is why we determine the number of units individually rather than charging a fixed price per zone.

- **€ 6 / unit** – *first 50 units*
- **€ 4 / unit** – *from the 51st unit onwards*

Indicative prices

- **Glabella / frown lines** – **€ 150 – € 300**
